Choose flexible support

Use your allowance for agreed spreadsheet work, trackers, documentation, presentation formatting, and project support. Work is measured by actual production time.

Quarterly prepayment & rollover

Three-month prepayment releases allowances monthly; no additional price discount.
Essential and monthly billing: no rollover. Only quarterly Business and Business Plus qualify.
Carry the lesser of unused allowance or half the standard monthly allowance.
Total rollover is capped at one monthly allowance. Each lot expires at the end of its third monthly period, counting its origin month. An eligible quarterly plan must remain active.
Hours and document credits cannot be exchanged. Full terms: verginwaypoints.com/subscription-terms

FOUNDING PILOT | Enroll by November 30, 2026

Your agreed pilot rate lasts six months while continuously subscribed. Any higher rate afterward requires advance notice and your agreement. Terms updated October 29, 2026.

How document credits work

0.5 credit: Quick update | **1 credit:** Standard deliverable
2 credits: Advanced eligible task. Scope and credit value are agreed before work begins; one credit does not mean one page.
